Your official school photographer!

Preparing for your sitting

- Glasses typically will reflect our studio lights. We do everything possible to correct for reflections....you may want to ask your optician if you could borrow a set of frames without lenses for your portrait.
- Please shave the day of your portrait as this cannot be touched up.
- School dress codes for your yearbook poses: **OPTION#1** A solid colored collard shirt and tie. We also suggest a dark jacket but it is optional for the yearbook. **OPTION# 2** A Black Velvet Drape or long sleeved semi-formal/formal top. Drapes are sleeveless and end shy of your stomach, a tank top is highly recommended to be worn underneath.
- Hair should be worn the way you normally wear it. Make sure it does not cover your eyes. Please do not change your hairstyle right before your session. This could lead to disappointment.
- For our casual add on poses at our studio, you may wear what you like. Stay away from busy patterns!! Solid colors always work best!!
- Accessories for your add on poses are a must!! Scarves, jewelry, hats, sports equipment, snowboards, anything to show the real you!!!
- ALL Sessions must be paid for at the time of your sitting. We accept cash, check or credit/debit.
