Your official school photographer!

Preparing for your sitting

- Glasses typically will reflect our studio lights. We do everything possible to correct for reflections but sometimes it is impossible....you may want to ask your optician if you could borrow a set of frames without lenses for your portrait.
- Please shave the day of your portrait as this cannot be touched up.
- School dress codes for your yearbook poses: **OPTION#1** A solid colored collared shirt and tie. We also suggest a dark jacket but it is optional for the yearbook. **OPTION# 2** A solid colored long sleeved semi-formal/formal top. We suggest darker colors like black or dark blue.
- Hair should be worn the way you normally wear it. Make sure it does not cover your eyes. Please do not change your hairstyle right before your session. This could lead to disappointment.
- For our casual add on poses at our studio, you may wear what you like.
- Accessories for your add on poses are a must!! Scarves, jewelry, hats, sports equipment, snowboards, anything to show the real you!!!
- ALL Basic and Add On Sessions must be paid for at the time of your sitting. Special sessions at the Studio need to be pre-paid and scheduled over the phone directly with us. We accept cash, check or credit/debit. Credit cards must be physically present to be used.
